Professional Profile

Founder and creative manager with experience in design, development, and commercial direction. Combines skills in web design, branding, photography, footwear, and marketing, with a strong aesthetic and technical sense. Demonstrates leadership, innovation, and continuous reinvention. Currently focused on fashion design and website development, with an artistic and institutional portfolio — while maintaining a strong commercial approach, a broad network of contacts, and solid experience in supplier management across various sectors..

Professional Experience

2021–2025 – COO – Ana Vasconcelos
